

House Keeping Notes

Bags

Ideally your child will have a camelbak filled with water, this promotes self-hydration. Place their morning snack in the bag so that they can have it while out on their adventures. If you can't get one please have a **small** water bottle and bagged snack for the coach to carry.

Second bag can be a grocery bag or backpack with their name on it. They should have their water clothes, a spare change of clothes, sun hat, sunscreen, If the weather is looking like rain please bring wet weather clothes.

Water Clothes

Please pack a sun smart swimsuit, shorts, sun shirt and shoes that can get wet.

Sun cream

Please apply sun cream on your child in the morning. We will re-apply sun cream at lunch time, please label the cream with your child's name.

Protective Clothing

We will be cycling most morning please make sure that your child is wearing the proper protective clothing. They need: closed toe shoes for cycling, helmet, gloves, elbow, and knee pads.

Nut Free Zone

Kiddy Combo Camp is a nut free zone. Please be aware of the foods you are packing as many energy bars can contain nuts. We do have children who have nut allergies. The only nuts around camp are the crazy coaches.

Label Label Label

Please make sure that your child has their name on everything especially when we are going to the water.

Bikes

For the first day please bring the bike that your child is comfortable on this will help them to have a great first experience at camp. Please talk to the coaches about when is a good time to introduce a new bike. Please check that your bike is in good working order. Ideally your child will have hand breaks and not back pedal brakes.

Parking

There is a Lots of parking at the tennis Club, please be aware of children walking through the lot. Please have your child walk their bike into the tennis Club

Discount

Need something for your little rider? Kiddy Combo Camp families all receive a good discount at Fun for kids. They have jerseys, camelbak's, gloves and pads.
