OUR MISSION & VISION

Our team of experienced, certified multi-sport instructors and coaches understand how skill development training and instructor certification courses naturally build the leadership qualities and life skills of any individual. With this knowledge, we teamed up with **PMBI** (Professional Mountain Bike Instructors) **RCABC** (Recreational Canoe Association of BC) and **Tennis BC** to design a truly unique Leadership Camp experience built around our innovative multi-sport skill development and junior instructor certification programs. We focus on the leadership and life skills of communication, self-confidence, independence, goal setting, leading and managing groups, teamwork and ability to assess and inspire others. **Graduates of our Leadership Camp will leave with a Whistler experience second to none, armed with two globally recognized junior instructor certifications, and life and leadership skills that will remain with them forever.**
